THE CHAIRMAN'S FOREWORD

The World Scout Foundation celebrates its global network of inspired leaders – the 2381 Baden-Powell Fellows from 75 countries in the 2016 Annual Investor List.

You and your peers are among the world's most amazing people who stand for the values of Scouting, helping to inspire young men and women to do amazing things in over 1.5 million local Scout groups throughout the world, supporting their communities! Thanks to your inspiration, these communities are changing – brimming with energy from their own local scouts. A very warm thank you on behalf of the nearly 55 million Scouts throughout the world, and on behalf of the close to 500 million alumni, who look with pride each time they see a Scout doing something wonderful!

Scouting is changing because of your help. World Scouting this year has appointed Ahmad Alhendawi as its youngest and most exciting Secretary General in its history. Get ready for an exciting time ahead – Scouts are changing the world – and you are part of the reason!

Thank you indeed!

THE HONORARY CHAIRMAN

In our latest Annual Report, our Honorary Chairman, His Majesty Carl XVI Gustaf, King of Sweden, explains his passion and belief in Scouting. Through His own words, we see how a young man overcame his fears and flourished as a leader, ready to in turn inspire millions to do great things. For His Majesty, every young person in Scouting has a role. Each local community action an important part of the global mosaic of the World Scout Movement's global impact. For Him, Scouting is the world's greatest leadership development programme. And joining him are leaders like yourself, and newly appointed USA Secretary of State Rex Tillerson – all are witnessed to how Scouting has helped build values and leadership which indeed can change the world.

His Majesty personally welcomes every new member of the World Baden-Powell Fellowship and its Honours Programme.

His message is clear: Feel free to give again, or bring a friend!
