## THE BADEN-POWELL FELLOWSHIP IN A FEW WORDS

In this Annual Membership list, the World Scout Foundation's Fellowship each year celebrates its members - the 2,313 Baden-Powell Fellows from 75 countries.

You are one of these incredible leaders and stand among the amazing women and men who help the values of Scouting spread in communities around the world. Thanks to your contribution, Scouting in the less fortunate communities throughout the world is flourishing!

So a very warm thank you on behalf of over 40 million young men and women currently in Scouting worldwide, and also on behalf of over 500 million "qualified Scouts" out in the community doing amazing things!

We do our very best to keep in touch with you throughout the year using traditional mailings, e-mails, newsflashes, wishes, event invitations and publications like our Annual Report.

Please let us know how we can do better!

## THE HONORARY CHAIRMAN

The Honorary Chairman of the World Scout Foundation, His Majesty King Carl XVI Gustaf of Sweden, has been passionate about Scouting since a very early age and is convinced that it helps to develop civic responsibility as well as leadership skills.

His Majesty personally welcomes every new Member of the Fellowship and its Honours Programme.

He constantly stands by the Scout Movement to publicly affirm its importance - especially in today's world - where leadership and community service become key words to help create a better world.

## THE CHAIRMAN

2015 has been a very active year for Scouting worldwide. Scouts have shown leadership in so many ways responding to some very unfortunate events - refugee flows, natural disasters, conflicts, disease and poverty. Their leadership, community service and patience have touched millions of lives, and have been made possible thanks to the investments you have made over the years.

I must single out those Scouts who put their lives at risk in the Ebola affected countries in West Africa, the heroes of Nepal's Scout Organisation who responded in the first hours of the earthquake disaster there and have kept working in the months since, and the many thousands of Scouts who intervened all along the trail of the refugees' flow from Syria, through the Arab region right to Northern Europe.

The commitment of these Scouts is nothing short of amazing and proves us all once more that Scouting is needed today more than ever.

These Scouts volunteer their time thanks to the generosity of people like you. You are with these young men and women in spirit. And when they work through the rubble of a collapsed house in Kathmandu, or reach out to save a child from the waters along the Greek coast, they know they are not alone. That means a lot to them!

Thank you!

  
Wayne Perry  
Chairman

## THE HONOURS PROGRAMME OF THE BADEN-POWELL FELLOWSHIP

The Honours Programme recognises the Baden-Powell Fellows who have reached a higher level of financial support to the World Scout Foundation.

The different levels of recognitions are for the following amounts: (including the Baden-Powell Fellow membership fee) and we had as at 31.12.2015 :

|     |                      |                    |
|-----|----------------------|--------------------|
| 2   | Baden-Powell Circle  | USD 10 mio or more |
| 52  | Regal Circle         | USD 1 mio          |
| 4   | Ambassador Circle    | USD 500,000        |
| 35  | Chairman Circle      | USD 100,000        |
| 68  | International Circle | USD 50,000         |
| 193 | Benefactor Circle    | USD 25,000         |

By pledging to one of these circles, Baden-Powell Fellows also get a chance to offer the Fellowship (and upgrade) to a friend, partner, child or grandchild - what a wonderful gift indeed.

**IN 2015, 6 HONOURS PROGRAMME MEMBERS UPGRADED AND 8 MEMBERS JOINED FOR A TOTAL OF 354 MEMBERS AS AT 31.12.2015.**

## THE FOUNDER'S HERITAGE

Baden-Powell Fellows are invited to become members of the programme known as the Founder's Heritage Programme, a most inspirational commitment to young people.

To be part of it, simply make a pledge to include a donation to the World Scout Foundation in your will.

Your commitment will ensure that the legacy will continue to work and help young people achieve self-fulfillment through Scouting.

Information on the Founder's Heritage Programme is available at the WSF office in Geneva and your local legal advisor will most certainly be able to guide you through all the legal and human aspects of this.

*Lord Robert Baden-Powell - 1929*

**AS AT 31.12.2015, THE FOUNDER'S HERITAGE PROGRAMME COUNTED 48 MEMBERS.**
