## CELEBRATING OUR FELLOWSHIP

Dear Friends,

This companion document to our Annual Report is our “Roll of Honour”! It gives us the chance to celebrate YOU, our key investors. You make the business of the World Scout Foundation happen!

This year, we are living in really strange times with much of the world in lockdown and the virus adding to the challenges we face. But one thing most of us do have is time—and time to reflect. And we have been reflecting on your amazing contribution to the world’s greatest leadership development academy: Scouting.

Whatever you have done for Scouting, through WSF or locally in your own country, you have literally changed the world for the better!

What other investment could have inspired an additional 22 million young people (these are the latest figures from

WOSM—to be made public soon) to take up Scouting’s challenge? And these young people are not just “consumers”, but real leaders and they, in turn, have changed themselves and their communities, so this is an investment that keeps giving!

And from the funds you have invested in WSF, we have targeted three areas critical to our partners in the World Scout Movement (WOSM) and their National Scout Organisations (NSOs):

- Communications with young people to inspire them and have them inspire others to do amazing things—and this has been in online forums, but also in traditional Scout forums like Jamborees;
- Organisational development to enable volunteer leaders to inspire their young members and lead them through good times and more challenging times; and

- Direct Action, enabling Scouts in mainly poorer countries to act when COVID-19, or Ebola or an earthquake strikes or to work on climate action, or domestic abuse. This key investment really makes a difference as these projects go on to inspire others to work with local resources.

Thank you for what you do. Your investment, but also your energy and leadership, make a real difference and remember, the main currency of volunteering is inspiration, not the US Dollar!

You are really important to our global family. Please stay well and when this is over—and it will end—we will meet again and I will be able to say thank you in person.

Hector Robledo Cervantes  
Chairman, World Scout Foundation

The generosity of our donors, this year again, has supported many communities and NSO capacity development projects around the world.

We owe the success of World Scouting to these investors who believe in the leaders of tomorrow and in the energy of young generations of Scouts.

Also thanks to these donors, the World Scout Jamboree—featured in our 2019 annual report—was a tremendous experience for so many including those attending Scout event for the first time.

The *Messengers of Peace* Initiative, the Scout Donation Platform and The Scarf Circle all support the fundraising efforts made in 2019 and, once more, were huge successes.
