Introduction

2022 was a year of positive change for the World Scout Foundation as we embarked on a mission to significantly increase our support for World Scouting and grow our phenomenal network of donors.

It is an honour to celebrate and recognise you, our members of the World Baden-Powell Fellowship, in the 2022 Membership List. We warmly welcome all our new Baden-Powell Fellows and those who moved through the Honours Programme, ensuring continued support for Scouting worldwide.

Throughout 2022, you generously donated your resources, time, networks and passion, championing our shared Mission, helping to grow our networks, and driving our fundraising efforts to strengthen the impact of World Scouting.

In 2022, we also welcomed thousands of new donors, predominantly via our Annual Appeal and the Scout Donation Platform. Whilst we do not list them all here, we wish to underline our gratitude for this heartfelt outpouring of support, exemplifying the power of Scouting – such an incredible global force for good.

Our 2022 Annual Report focuses on the change underway at the Foundation, driven by our Strategy 2022-2030 and exemplified by inspirational Scout initiatives from across the globe. We invite you to explore our report and delve into these initiatives, see the impact of Scouting and your unwavering support, and renew your commitment to World Scouting to help millions more young people create a better world.

On behalf of our Board and staff team, and on behalf of 57 million Scouts worldwide,

Thank you.

Mark Knippenberg
Chief Executive Officer

We invite all Baden-Powell Fellows of all ages to consider joining the Founder's Heritage.
Please contact the World Scout Foundation Secretariat for more detailed information and guidance.

The Founder's Heritage

65 Baden-Powell Fellows belong to the Founder's Heritage programme of the World Scout Foundation, having generously arranged to make a planned gift to World Scouting.

Making a planned gift is a wonderful way to ensure that your legacy continues to support future generations of young people in World Scouting while accommodating your own personal, financial, estate-planning and philanthropic goals.

There are many ways to share your legacy with Scouts around the world, including:

- A financial bequest made in a will or living trust.
- A deferred gift of personal property or real estate.
- Giving through a life insurance policy.

Whatever your preference, a planned gift to the World Scout Foundation will make a lasting impact. No matter how large or small, it will enable young people to gain the skills and knowledge to develop as active citizens empowered to drive meaningful positive change in their communities worldwide.

In Memoriam

We are honoured to pay tribute to 580 Baden-Powell Fellows who are sadly no longer with us, and we recognise the 12 Baden-Powell Fellows who have "Gone Home" in 2022 and their contribution to World Scouting.

May they rest in peace.

We remember their extraordinary passion, unwavering commitment and generosity to World Scouting, which carries on where their unrestricted donations have been invested in the Foundation's Endowment Fund, generating income year-on-year for the World Organization of the Scout Movement.

We remember them, too, through the actions of countless generations of Scouts across the globe to drive peace and sustainable development, who have benefitted and will continue to benefit from their support.
