Introduction

It is an honour to celebrate and recognise the members of the World Baden-Powell Fellowship in our 2023 Membership List. Let me, once again, extend a warm welcome to our new Baden-Powell Fellows and to all those who joined or moved through the Honours Programme in 2023, ensuring continued support for Scouting worldwide.

In 2023, we also welcomed hundreds of new donors, including through our Annual Appeal and the Scout Donation Platform, widening our network of donors worldwide. Whilst we do not list them all here, I wish to underline our gratitude for the generosity of these donors who do not hesitate to support our appeals, including to enable vital Scout humanitarian action during emergencies.

The Foundation is sincerely grateful to count on the continued generosity of our donors. We also greatly value the volunteer time you donate, the networks you share with us and your championing of our shared Mission to increase our funding for World Scouting, to strengthen its impact for more young people and their communities.

Our 2023 Annual Report focuses on the great progress towards our Strategy 2022-2030 to enable more Scouting and, consequently, more impactful projects as those we are honoured to highlight. I invite you to explore our digital report, discover the impact of Scouting and of your unwavering support, and I call on you to renew your commitment to World Scouting to help millions more young people create a better world.

On behalf of our Board and staff team, and on behalf of 57 million Scouts worldwide, thank you.

A stylized, handwritten signature in blue ink, appearing to read 'Mark'.

Mark Knippenberg
Chief Executive Officer

HM King Carl XVI Gustaf of Sweden, Honorary Chair (right) and HRH Prince Guillaume of Luxembourg, Chair (left) at the time of the presentation, recognise Ms Meghan Pierson as a new Young BP Fellow.

We joined the Fellowship in 2023

In 2023, we grew our global network and financial support to Scouting initiatives worldwide by welcoming 81 new Baden-Powell Fellows from 23 countries.

We were delighted to welcome 45 new Young BP Fellows in this total. Thank you to everyone who supported this expansion of our network, including motivated BP Fellows, Chapters, champions of our Annual Appeal and members of our Fundraising Committees and Board.

"Kimberly and I were honoured to become members of the World Scout Foundation Founder's Heritage. We wanted to ensure the future of World Scouting even after we were gone. By making a planned gift in our will, we are able to support future generations of Scouts worldwide. Thanks for helping us fulfil our wishes!"

*Dr & Mrs Marshall and Kimberly Hollis,
Members of the Regal Circle and Founder's Heritage*

The Founder's Heritage

64 Baden-Powell Fellows belong to the Founder's Heritage programme of the World Scout Foundation, having generously arranged to make a planned gift to World Scouting.

Making a planned gift is a wonderful way to ensure that your legacy continues to support future generations of young people in World Scouting while accommodating your own personal, financial, estate-planning and philanthropic goals.

There are many ways to share your legacy with Scouts around the world, including:

- A financial bequest made in a will or living trust.
- A deferred gift of personal property or real estate.
- Giving through a life insurance policy.

Whatever your preference, a planned gift to the World Scout Foundation will make a lasting impact. No matter how large or small, it will enable young people to gain the skills and knowledge to develop as active citizens empowered to drive meaningful positive change in their communities worldwide.

In Memoriam

We are honoured to pay tribute to 597 Baden-Powell Fellows who are sadly no longer with us, and we recognise the 13 Baden-Powell Fellows who have “Gone Home” in 2023 and their contribution to World Scouting.

May they rest in peace.

We remember their extraordinary passion, unwavering commitment and generosity to World Scouting, which carries on where their unrestricted donations have been invested in the Foundation’s Endowment Fund, generating income year-on-year for the World Organization of the Scout Movement. We remember them, too, through the actions of countless generations of Scouts across the globe to drive peace and sustainable development, who have benefitted and will continue to benefit from their support.
