Introduction

It is an absolute pleasure to extend a very warm welcome to our new Baden-Powell Fellows and all those who joined or advanced through our Honours Programme during 2025. The World Scout Foundation is honoured to recognise you and celebrate your generous support for World Scouting in the 2025 Membership List.

Throughout 2025, we also welcomed hundreds of new donors who engaged with many Scout-led initiatives via the Scout Donation Platform. Although not listed individually here, I wish to express profound appreciation to everyone who has supported our appeals, particularly those enabling critical Scout-led humanitarian action during crisis situations. Every donation counts and our collective support makes such a difference.

In addition to your generosity, I also wish to acknowledge and thank you for the volunteer hours you contribute, for sharing access to your networks to help expand our donor base, and for your continued championing of our Mission to increase our funding for World Scouting to strengthen the impact of Scouting worldwide. We want even more

young people to experience the transformative power of Scouting and become ready for life.

I encourage you to discover our 2025 digital Annual Report to learn more about Scouting's impact in communities across the globe, the progress of our Strategy 2022-2030, our vibrant network of individual and institutional supporters, and how your steadfast support continues to transform lives.

On behalf of our Board, Committees, Staff, and over 60 million Scouts worldwide, thank you for your unwavering support. Let's continue to do more together.

Chief Executive Officer

*"Beate and I pledged to the Founder's Heritage to honour the timeless ideals of Scouting. Through our legacy gift, we are investing in the education of young people – helping them build the confidence and skills to play a constructive role in society and be **'Ready for Life'**."*

Kai Driesch & Beate Ingelmann-Driesch

The Founder's Heritage

46 Legacy Gifts have been dedicated to Founder's Heritage, the planned giving programme of the World Scout Foundation. Planning a gift via a financial bequest in your will or trust, a deferred gift of assets or the designation of the World Scout Foundation in a life insurance policy, is a wonderful way to continue supporting young people in World Scouting for years to come.

Members of the Founder's Heritage are honoured with a credit of 50% of the planned contribution to their ongoing BP Fellowship, personal recognition from the Chief Executive Officer of the Foundation, testimonial features and a memorial gift of a seedling to be planted in your name in the virtual forest of Europe's largest, voluntary reforestation project: Boranka.

If you feel inspired to shape future generations of Scouts worldwide, we invite you to consider how making a planned gift can make a lasting impact. Thank you.

In Memoriam

We are honoured to pay tribute to 654 Baden-Powell Fellows who are sadly no longer with us, and we recognise the 20 Baden-Powell Fellows who have "Gone Home" in 2025 and their contributions to World Scouting.

We honour their generosity and devotion to World Scouting, which will endure where unrestricted donations have been invested in the Foundation's Endowment Fund, generating income year-on-year for World Scouting.

May they rest in peace.

Hon Mr John A. Landau MLM (*Benefactor Circle*)

Scouting around the world thrives thanks to your generous donations through the Baden-Powell Fellowship and Honours Programme, your legacy gifts, time, commitment, extended networks, and passion.

Let's work together so that even more young people can experience Scouting and develop as active citizens who lead a positive change in society. Thank you for your commitment and unwavering support to develop and strengthen the impact of Scouting worldwide.

For Scouting. For Good. Together.
